Independently Published, United States, 2019. Paperback. Condition: New. Language: English. Brand new Book. The Bluetick Coonhound is a breed of Coonhound that originates from the United States of America. The breed was developed in Louisiana by mixing the English Foxhound, the Cur dog, the American Foxhound, the Black and Tan Coonhound and the 'Bleu de Gascogne' hound which originates from southwest France. The Bluetick Coonhound was originally registered as a variant of the English Foxhound and was only recognized as an individual breed in late 1940s. The Bluetick Coonhound gets its 'blue' coloring from black ticking on a white background, which gives the illusion of a navy blue coloration. The breed has a moderate length and glossy coat that will have the unique 'blue' in sporadic patches across its coat. The Bluetick Coonhound was bred to be able to efficiently hunt raccoons and other small prey. Due to their hunting history, the breed is highly hardy, athletic and energetic. The breed is known to be challenging to socialize with other small household animals, such as cats, as the Bluetick Coonhound has a tendency to 'hunt' them. However once trained, the Bluetick Coonhound is known to be a very mindful and affectionate breed that does extremely well in a household environment. Before purchasing any pet it is important to understand that as a pet owner you are responsible for the care and wellbeing of your pet. It is important to try and learn as much as you can about the animal you are considering to keep as a pet to make sure that your lifestyle, household and financial status are suited to provide your pet with the best possible care. This guide has been designed to provide you with both precise and concise information about a Bluetick Coonhound's basic needs to...
